When Time,
Who steals our years away,
Shall steal our pleasures too,
The mem'ry of the past will stay,
And half our joys renew.
Thomas Moore

What's next?

Let's put it together.

The excited volleyball team!

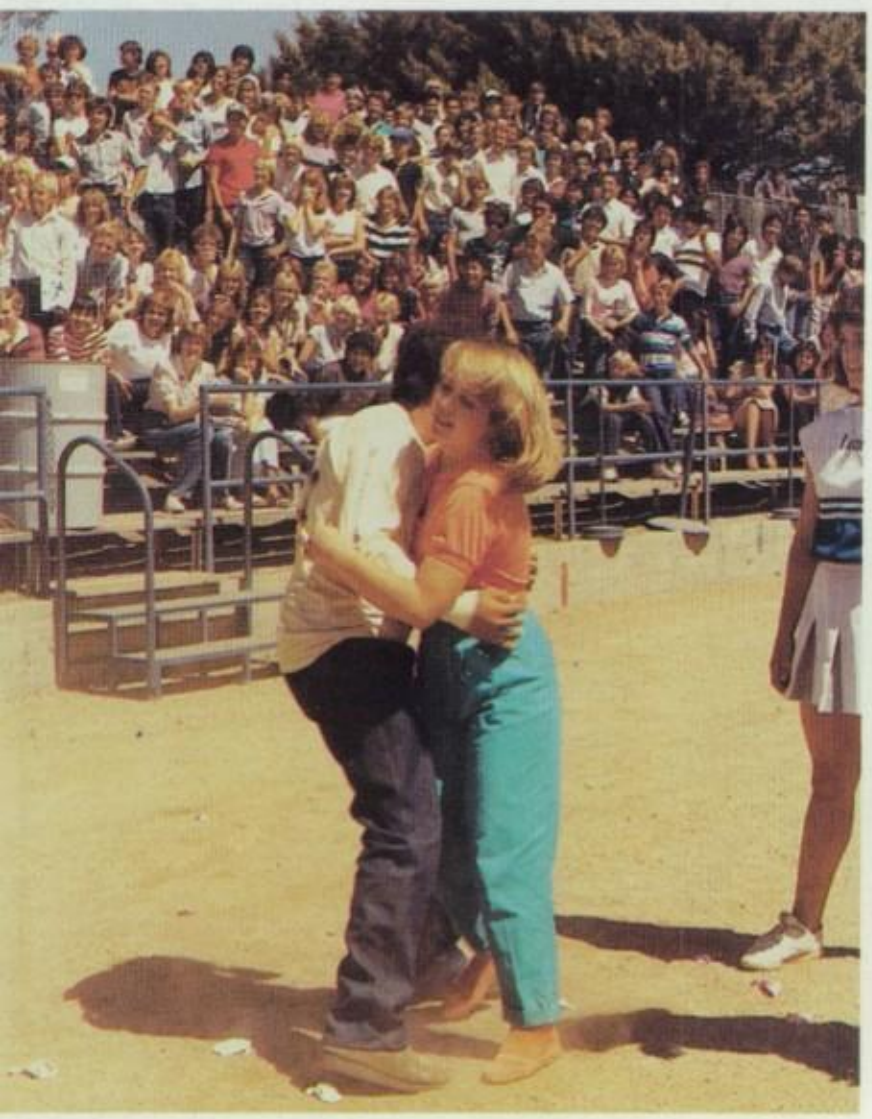
Casey and Mindy horsing around.

Seniors letting everyone know who's "No. 1".

Life at King City High.



Gilbert and Myla learning how to dance.

Chorus line try outs.

We have spent our high school years,
And many friends we've met,
Not one fair scene or kindly smile,
Can this fond heart forget.

The ASB Cabinet hard at work.

Not everyone realizes that all the events that go on during the year, are planned by a certain group. Our ASB cabinet members are responsible for making the school year activities a success. Some activities are Howdy Day and Homecoming Week. This year our ASB cabinet took on two more responsibilities. These are basketball spirit week and year round competition between the classes. The competition includes attendance and participation in class elections. Over all, ASB members feel that this year was a great success.

FROSH-SOPH VOLLEYBALL: MTAL CHAMPS AGAIN

For the second consecutive year the KCHS Frosh-Soph Volleyball team finished the season as the undefeated MTAL Champs. The team was composed of five returning players and seven newcomers. They were coached by Cathy Carter. 1984 proved to be an outstanding season of play for these girls. They played together as a team to defeat all their adversaries and keep the title as MTAL Champs for another year. The outstanding players for the year were Kanani Flores as "Best all around player," Sharise Shires as "Best Offensive player," and Jill Gregory as "Best defensive player."

VARSITY VOLLEYBALL MAKES HISTORY

Success is a word that is definitely in the vocabulary of the 1984 Volleyball team. The twelve girls that made up KCHS's Varsity team were high-spirited, well taught volleyball players. This team was coached by Debbie Hudson, and Stuart Kageta volunteered his time to help.

This team was the only girl's sport to ever win a CCS play-off game. This was also the first time in KCHS's history that the girl's Varsity Volleyball team won an MTAL title. The Lady Mustangs ended their season with a 12-0 league record. Early in the season the girls traveled to Gilroy to be the first KC Volleyball team to ever compete in a tournament. They proved their strength by placing third and having two of their team members elected All Tournament Players. Debbie Sparks and Terri Lugert were both honored with this award. Terri and Debbie were also voted All League players, along with Sharon Lombardi. Ruby Macias received honorable mention and was voted team captain. Our Volleyball team had an excellent season and they are something to watch for next year.

CLASS OF 1985

Our final year at King City High was one of the best years of our lives. The senior class was the best in years, both in academics and class spirit. Two years in a row, the class of '85 won Homecoming spirit week.

As our last year at KCHS passed, "What college are you going to?" became the main question asked. Proficiency and Achievement tests were both a worry to all graduating seniors. Nevertheless, our senior year was great. Inspite of the parties and shooting-the-loop, we made it all the way to graduation. Everyone looked forward to Disneyland, Hawaii, a new school, and being on their own.

During the past four years, we all changed. Some people with just a new hairstyle and some even grew up a little. As we look back on all our years at King City High, we will all have our special memories and moments that we will remember and cherish. Most of all, the memories of our good times and our hopes and dreams of the future, will take us through life with fond memories of good ole KC High.

Front Wes Myhre-President, 2nd row L-R Letty Reyna-Representative, Teri Contreras-Vice President, Wendy Hesselbein-Secretary. Back Steve Errea-Treasurer.

ACTIVITIES

HOMECOMING '84

Dominated by Competition

This year's Homecoming was the best KCHS has had in years. Competition between the classes was the toughest ever. Every class participated with posters, dressing up, constructing a float, and showing their spirit at the Homecoming rally on Friday. Throughout the week, only 10 points separated the first and second place holders. What was even more shocking, was that the final victors were only bestowed this honor by four points over the second place winners. The Seniors were announced as winners on Friday, with 240 points, the Juniors came in second with 236 points, the Sophomores came in third with 230 points, and the little ole Freshman came in fourth with 133 points. All the enthusiasm and spirit brought out by Homecoming week paid off Friday night, when the Mustangs defeated the Chieftains.

The dress up days for the week were as follows: Monday-Sports and Sweats Day, Tuesday-Hawaiian Holiday Day /Break Dance Attire Day, Wednesday-Gangster/20's/Convict Day, Thursday-Bathrobe and Slipper Day, and Friday-Blue and White Day.

The person with the most pennies at the end of the week, was named Mr. Mustang. This person was Mark Scaroni. Together, the five Mustangs gathered over 38,000 pennies.

Homecoming night finally came after a long anxious week. There were five senior girls, who were picked by the senior class, running for Homecoming queen. On Wednesday, the entire student body at KC High voted for the girl they wanted to rein as queen for the year 1984-85. These girls had seven escorts, who also came from the senior class, but were picked by the faculty. The Junior, Sophomore, and Freshmen Class were also represented by a girl from their class. These girls were picked by their class members and participated in the night's activities.

Homecoming night began with dinner at King's Table for the escorts, queen candidates, and class representatives. After dinner, they headed back to the stadium, where the crowd was watching the Mustangs defeat the Palma Chieftains. At halftime the final moment came. Anxiety filled the air, until the queen's name was finally revealed. Amanda Bassetti, last year's queen, crowned Kim Sheetz as the 1984-85 Homecoming Queen. Kim then went on to light the KC and receive an overabundance of congratulatory hugs and kisses. The evening wasn't over yet-there was still the dance after the game, featuring Black Velvet.

The seniors took first place and on Wednesday, there was a scavenger hunt that was also won by them. Thursday's activity was a paper pass, and the juniors placed first. To finish off the week, there was a poster contest and a rally on Friday. The poster contest was won by the sophomores. At the rally each class performed to a song as an Airband. The juniors placed first with their "Toys R Us" Airband and the sophomores took second with their "Prince" Airband. The freshmen came in third with a "Go Go's" song and the seniors performed to "Van Halen." They didn't place though, because they were disqualified. The points were totalled and announced at the rally. The final scores placed the juniors in first, sophomores in second, freshmen in third, and the seniors in last.

Also during FFA Week, the club members were recognized according to their merits and standings. Most importantly though, the Future Farmers of America showed a lot of spirit towards the school, and raised a lot of money during the week.

Dana Wells was the second high money winner, and Carlette Rist was third high. California is split up into nine districts; King City is in district number seven. The members participate at their district level on the second weekend of every month at the Madonna Inn Arena in San Luis Obispo. Then, at the end of the year, the top five people in every district for each event, go to the state finals held in Quincy, California.
